Dated 14--6--1950.

From

SRI V. S. HEJMADI, I.C.S.,
Commissioner of Civil Supplies.

ii. Board's Ref. No.F.II.31392/50-2 (CS) dated 12-5-50.
iii. From the Collector of Bellary Ref. No.4597/50 M.2 dated 31-5-50.

Ref 3-4 below

A copy of the letter cited received from the Collector of Bellary is submitted to the Government.

2. In sub-para 3 of para 6 of its reference cited the Board had reported to the Government that the one Firka Supply Officer and one peon working in the merged State of Sandur might be allowed to continue till the question of forming it into a separate Taluk was decided. In G.O. Ms. No. 2073 Publ (Pol-A) Department dated 2-5-50 the Government have ordered that the merged State of Sandur should be formed into a separate Taluk comprising 3 firkas. Accordingly the newly formed Sandur taluk will comprise (1) Chornur firka in the Kudligi taluk (2) Tornagallu firka in Hospet taluk and (3) the villages of the erstwhile Sandur State. In addition to the one Firka Supply Officer and one peon already working in Sandur, 2 Firka Supply Officers and 2 peons working in Chornur and Tornagallu firkas will be transferred to Sandur Taluk and thus there will be 3 Firka Supply Officers and 3 peons in the newly formed Sandur Taluk.

3. In his letter cited the Collector of Bellary has asked for the employment of a Taluk Supply Officer (in the grade of Deputy Tahsildar) to be in charge of procurement work in that taluk and an Assistant Taluk Supply Officer, to replace 3 Firka Supply Officers and 3 peons in accordance with the scheme sponsored by the Board. The Board after careful examination considers that consequent on the formation of Sandur as a separate Taluk a Taluk Supply Officer is necessary and sufficient to attend to procurement work in the entire Taluk but that neither any Firka Supply Officer nor an Assistant Taluk Supply Officer for that taluk is necessary, in view of the over-riding need for economy. It accordingly requests the Government to sanction the employment of a Taluk Supply Officer (in the grade of a Deputy Tahsildar) on Rs.150-200 p.m. and one peon on Rs.18-25 per mensem from the date of employment till 31-3-51 or till the need ceases whichever is earlier for Civil Supplies work in the Sandur Taluk.

B

4. The Board is instructing the Collector, Bellary to disband the 3 Firka Supply Officers and 3 peons in the Sandur taluk as soon as sanction is accorded for the employment of the Taluk Supply Officer.

5. The expenditure may be debited to '63 Extra-ordinary charges - a. charges in India - c. Establishment for price

Sub:--Establishment - Civil Supplies - Bellary District - Replacement of Firka Supply Officers by Assistant Taluk Supply Officers - Report submitted.

Ref:--Board's Ref. F.II.38737/50-4 (CS) dated 23-5-50.

The newly formed Sandur Taluk would comprise (i) Chornar firka in the Kudligi Taluk (2) Tornagallu firka in Hospet Taluk and (3) the villages of the erstwhile Sandur State. Thus there will be 3 firkas in the Sandur Taluk.

After the transfer of one firka from each of the taluks of Hospet and Kudligi there will be still four firkas left in each of the taluks as noted below:--

Kudligi Taluk:-

(1) Gudekota (2) Hosehalli (3) Kudligi (4) Kottur.

Hospet Taluk:--

(1) Kampli (2) Kamalapuram (3) Hospet (4) K.D.Keri.

2/ According to the Board's instructions the Head Quarters firka in each taluk will be in charge of the Taluk Supply Officers and the remaining firkas will be divided among the two Assistant Taluk Supply Officers. According to this procedure Hosahalli firka and a portion of Gudekota will be in charge of one Assistant Taluk Supply Officer and the Kottur firka and a portion of Gudekota will be in charge of another Assistant Taluk Supply Officer. These Assistant Taluk Supply Officers are to work under Taluk Supply Officers and Tahsildar. If Sandur Taluk is divided between one Assistant Taluk Supply Officer of Kudligi Taluk and another assistant Taluk Supply Officer of Hospet then these two Assistant Taluk Supply Officers will have to work under two Tahsildars i.e. Sandur Tahsildar and Kudligi Tahsildar in one case and Sandur Tahsildar and Hospet Tahsildar in the other case. They will have to submit two diaries returns etc. This may not be feasible. Further the work of the Assistant Taluk Supply Officer who is in charge of Sandur Taluk villages and villages of Hospet or Kudligi Taluk will be come very heavy as each will have nearly 3 three firkas whereas Assistant Taluk Supply Officers in all other taluks except Bellary will have only one complete firka and a part of another firka. In the Bellary Taluk and in the Yemmiganur Sub-Taluk Assistant Taluk Supply Officers will have two firkas each. It is not possible to distribute the entire District Jurisidction including the Sandur area among the 19 Assistant Taluk Supply Officers in view of the administrative inconvenience explained above.

3. Even if one Assistant Taluk Supply Officer is appointed for Sandur Taluk exclusively to work under the Tahsildar it may not be possible for him to cope with the work as he will have 3 firkas. He has to do all the original work. All the 3 firkas included in Sandur Taluk are not having proper communications from village to village as a major portion of the tract is hilly and the Revenue Inspectors Chornur and Torgagallu cannot be overburdened with the Civil Supply works work as they are already having revenue work. Village accounts have to be newly written up in the villages of defunct Sandur State. The karnams have very little knowledge of the accounts prescribed in the Manual of village accounts. The Tahsildar Sandur will have much work

p.t.o.

work in connection with the introduction of the new system of revenue accounts in Sandur villages and bring them on to the level of the other villages in the district in all respects.

4 The appointment of one Taluk Supply Officer and Assistant Taluk Supply Officer for the Sandur taluk to be newly formed is quite necessary in the interest of efficient administration.

Abstract:-

ESTABLISHMENT - Civil Supplies - Bellary district - Sandur Taluk - Additional peon for work under the Taluk Supply Officer, Sandur - Proposals - Submitted.

iii. From the Collector of Bellary, R.C.14038/50 H.7 dated 9-10-1950.

A copy of the letter last cited received from the Collector of Bellary is submitted to the Government.

2. While submitting proposals for the employment of additional peons for work under the Taluk Supply Officers, Grain Purchase Tahsildars etc., whose jurisdiction extended over one revenue taluk and more, the Board in its reference F.II.001288/49 dated 15-10-1949 (disposed of in the G.O. second cited) recommended the employment of 9 peons for 9 Taluk Supply Officers in the Bellary District. There was no Taluk Supply Officer for Sandur taluk at that time. The post of Taluk Supply Officer, Sandur was created only in the G.O. first cited and only one peon is working under this Taluk Supply Officer. In his letter cited, the Collector of Bellary has asked for the employment of an additional peon for work under the Taluk Supply Officer, Sandur.

3. Sandur taluk is a mountainous area and the jurisdiction of the Taluk Supply Officer extends over the entire taluk. As the Government have approved the Board's proposal to employ an additional peon under each Taluk Supply Officer subject to the conditions that his jurisdiction extends over one revenue taluk or more, the Board considers, that the employment of an additional peon for work under the Taluk Supply Officer, Sandur is necessary. It accordingly requests the Government to sanction the employment of one peon on Rs.18-25 per mensem from the date of employment to 31-3-1951 or till the need ceases whichever is earlier for work under the Taluk Supply Officer, Sandur. (Bellary District).

4. The expenditure may be debited to "63 Extraordinary charges - a. Charges in India - C. Establishment for price control - I. Board of Revenue (C.S.)".

Copy of letter No.Rc.14038/50 N.7. dated 9-10-1950 from the Collector Bellary, addressed to the Secretary to the Commissioner of Civil Supplies, Board of Revenue, Madras.

Sir,

Sub: Civil Supplies - Establishment - Sanction of additional peon to the Taluk Supply Officer, Sandur - Orders requested.

Ref: G.O.Ms.No.1801, Food and Agriculture Department, dated 14-9-1950.

In the G.O. cited above the Government were pleased to sanction one additional peon each to Statistical Assistant to the Collector, the Grains Reception Tahsildar, Bellary and nine Taluk Supply Officers in the district.

It is presumed that peons sanctioned in the above orders are for all the Taluk Supply Officers of this district except of Sandur. Now that Sandur has been constituted as a separate taluk from 1.7.50 a Taluk Supply Officer is working there. The post of the Taluk Supply Officer, Sandur was sanctioned in G.O.No.1407 Food and Agriculture Department, dated 20-7-50. On the whole there are 10 Taluk Supply Officers working in this district now. As sanction for employment of 9 peons only was accorded, no peon has been employed under the Taluk Supply Officer, Sandur.

As already submitted to the Board in this office reference 12771/50 N.7. dated 15-9-1950 the whole of Sandur Taluk is a mountainous area and full of forest tracks, the Taluk Supply Officer requires a second peon to send urgent tappals etc., to the Taluk Head Quarters (Sandur) while he is on tour.

I request that the Government may be requested to sanction an additional peon to work under the Taluk Supply Officer, Sandur.

To A.S.

The case deals with the proposal of the Bd of Rev (C.S) for the replacement of the staff of three F.S.O.s and three peons now employed ~~for~~ on procurement work in the Sandur taluk of the Bellary dt, by one T.S.O. in the grade of Dy Tahs and one peon.

2 In order to economise the expenditure on staff in the C.S. Dept the Bd of Rev (C.S) has proposed that the F.S.O.s (in the dts) may be abolished as they have as a class proved to be inefficient, and that in their place a lesser no. of A.T.S.O.s on (a pay of) Rs 110. p.m. each (fixed) may be appointed. It has recommended that this scheme may first be put into operation in the dts ~~of~~ (scheme by separation of the Executive from the Judiciary introduced) where the ~~separation~~ has been effected and where it will be easy to secure the required no of persons for appointment as A.T.S.O.s. (these proposals have been accepted by the Govt) Bellary is one of the dts where the scheme has been introduced ~~proposed to be tried~~. While submitting proposals for the replacement of F.S.O.s in that dt by a set of A.T.S.O.s, the Bd recommended stated that the F.S.O. and the peon working in the merged state of Sandur might be allowed to continue till the question of forming that State into a separate taluk (in Bellary dt) was

Bd's proc dt 16.7.50 in G.O. 3173 B/50 (Cont to 7a)

Bd's proposals in this regard have since been accepted by the Govt. 16.7.50

decided. The Govt have since ordered in G.O. No 2073 Pub (Pol-A) dt 4.5.50 — (J) that the merged state of Sandur should be formed into a separate taluk of the Bellary dt comprising 3 firkas. The Bd has accordingly now submitted ✓ para 3-p1 C.F. proposals for the replacement of F.S.O.s in the new taluk.

The newly formed taluk of Sandur will consist of (i) the Chorner firka in the Kudligi taluk, (ii) the Tornagallu firka in Hospet taluk and (iii) the villages of the erstwhile Sandur State. There are at present three F.S.O.s and three peons engaged on C.S. work in these areas. The coll of Bellary has stated that in pursuance of the general Scheme submitted by the Bd, these F.S.O.s & peons may also be replaced. He however considers that for the reasons stated in paragraphs 2 & 3 of his letter at pp 3-4 C.F, it is necessary to have one T.S.O. and one A.T.S.O. for the new taluk in place of the three F.S.O.s now working there. The Bd however considers that it is sufficient to have only one T.S.O. for procurement in the entire taluk of Sandur and it has accordingly recommended sanction for the employment of a T.S.O. on Rs 150-200 p.m. and one peon on Rs 18-25 p.m. from the date of employment till 31.3.1951. It has also instructed the coll of Bellary to disband the three F.S.O.s and three peons (now employed in the taluk) as soon as the new T.S.O. & peon are employed. In the circs stated above, it is for orders whether the Board's recommendation will be accepted and
